

SUMMARY

DONATIONS AND GRANTS POLICY

Introduction: Principles with which we regulate donations and grants, in-kind or financial, and the procedures by which we make decisions regarding the participation of Farmacéuticos Maypo in community or institutional projects, and humanitarian crisis situations. This Policy applies to all Farmacéuticos Maypo executives and associates.

Learn more

- 1 Any **grant** that is awarded must be for the purpose of **supporting education**, the dissemination of science or medical knowledge or of Public Health interest, unlike grants, donations are awarded for **humanitarian purposes**.
- 2 When Farmacéuticos Maypo awards any donation or grant **it does not intend to receive a benefit or compensation in return**.
- 3 It is essential that donations and grants be **requested in writing**, analyzed, and authorized by the committee responsible and **documented in a contract**.
- 4 Farmacéuticos Maypo **does not award donations or grants of any kind to political parties**.
- 5 Farmacéuticos Maypo **does not award donations or grants proactively**, except for:
 - a Humanitarian crisis situations caused by natural disasters, epidemics or other public health emergencies.
 - b Public events created for this purpose, for example, teletones or fundraisers for specific purposes.
